A message from organizers...

We are pleased to present our new edition "Member2Member"!

Aiming to provide support to entrepreneurship in Serbia and strengthen relations between the countries affected by the recent outbreak of the Covid-19 virus pandemic, Hellenic Business Association of Serbia (HBA), Belgian-Serbian Business Association (BSBA) and Swiss-Serbian Chamber of Commerce (SSCC), have joined forces and organized this year's edition of "Member2Member", which aims to promote products and services of member companies in the wider business community.

It is great to see our members taking advantage by placing their business offer to encourage members to experience and use their services, and utilizing the offers available in this booklet.

This year's edition features different offers provided by twenty companies, classified into eleven sectors and it is designed to create more opportunities to interact and support each other as well promote their businesses. All discount/benefits offering are on a complimentary basis to the member companies only and not offered to the general public.

We would like to thank all the members who contributed to the "Member2Member 2020" edition and we hope that you will all enjoy the provided offers!

CONFIDA CONSULTING

Confida is international tax advisory, consulting and accounting company with a network of companies in Austria and South East Europe making it a strong partner both locally and internationally.

Our areas of expertise extend to local and international knowledge of tax-legal, audit and accounting regulations.

The key to our success in Serbia lies in the high level of services and the exceptional technical skills and knowledge of our team, which perceives the specific needs of each of our clients. Our vast international experience is reflected in our flexibility in cross-border communication and cooperation with all our offices.

Due to the combination of international experience and local expertise, our customers receive the best response to all their questions. The trust of our clients is the most important basis of our cooperation and, at the same time, the primary guarantor of success.

We have extensive experience in a large scope of services supporting clients from all business domains to consolidate their international legislative and international payroll and tax obligations using our cutting-edge accounting software solutions.

Special offers and discounts during the COVID-19 outbreak:

We are providing up to 3 hours of free consulting regarding application of the Government incentives rendered in order to mitigate negative impact of Covid 19 crisis

V+O Serbia has organized more than 1.000 different events (promotions at the point of sales, street events, guerrilla activations, workshops, conferences, large scale events, factories' opening, etc.).

Event management service includes: development of creative concept, tag line of the event, event protocol, design, production of different materials, catering, cocktails, management of various subcontractors on the spot, final reporting.

V+O Group has also organized different online events on various digital platforms (panel discussions, online conferences, as well as digital live concerts)

Details of Discount/Benefit Offered 2 (Offer valid: May 2020 - May 2021):

Employer Branding: 10% discounts for members of HBA, BSBA and SSCC

Many companies are facing challenges of attracting perfect candidates, making existing employees motivated and loyal to company or increasing work force fluctuation in general. The way how companies can overcome these challenges is through proper communication and adequate building of internal and external

reputation.

Employer Branding Strategies are always developed based on thorough research and mapping of company's needs and adequate internal analyses of different level of employees' opinion. Some of the activities are further implemented in collaboration with HR experts. This type of service may especially help a production companies to solve existing problems, to improve their overall positioning and attracting proper candidates, but it's also eligible for different type and size of companies. V+O Group has been awarded several times for Employer Branding and we have managed many successful case studies for various international and local companies.

Special offers and discounts during the COVID-19 outbreak:

Webinar "How to communicate after Covid-19"

One-hour online seminar will help companies to understand how to communicate with their employees, local communities, media and other stakeholders. Proper tone of communication, different tips & tricks and communication tools will help companies to smoothly overcome challenges of coming back in the offices after Covid-19.
